

Pitching Instructions

For your own safety you **must** follow the pitching instructions as set out in the diagrams below.

The indicated distances (in metres) represent the minimum separation between adjacent units. The 3 metre space **must** be kept clear and unobstructed.

Touring

If you have any difficulties adhering to the minimum distances you **must** consult a site warden or report to reception **before** setting up.

In the interest of safety and compliance with the above separations, Porth Beach Tourist Park reserves the right to move any party to an alternative pitch. In the unlikely event that a party cannot be safely accommodated we reserve the right to cancel the booking.

Thank you for your cooperation.
